ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve the award of a contract in the amount of \$58,090.25 to Dominion Virginia Power to relocate existing electrical overhead lines located on the new MS2008 construction site.

KEY POINTS:

1. An existing Dominion Virginia Power easement with overhead electrical line runs along the northern boundary of MS2008 site. The easement/electrical line is located adjacent to the existing northern property line along the road frontage with Telegraph Road. The service line currently provides electrical service to the area.
2. The overhead electrical line along the school property is required to be re-routed underground to accommodate the middle school design and subsequent construction.
3. Cost for this effort is \$58,090.25. Funding for this requirement is included in the budget for this project.
4. If approved by the School Board, staff plans to execute the contract immediately.

SCHOOL BOARD GOAL: #5 - Provide facilities that promote student learning and community support.

#7 - Provide school environments where teachers are safe to teach and students are safe to learn.
